Member of  GTC Group

To whom it may concern,

By this reference letter we certify, as GTC ROMANIA, that the General Contractor SYNERGY CONSTRUCT SRL successfully completed the ROSE GARDEN RESIDENTIAL COMPLEX Project located in Colentina / Bucharest.

The project consists of 908 units with 11 blocks connecting with 2 level underground parking for 1100 cars, green areas and commercial spaces.

As GTC ROMANIA we would like to state that SYNERGY worked with dedication and had a good coordination with our part. SYNERGY executed the project with high quality standards and demonstrated professional approach.

We confirm our strong wish for future collaboration with them and confidently recommend SYNERGY CONSTRUCT SRL for similar projects.
