To whom it may concern

This letter is to certify that Synergy - Apeas Joint Venture LLC (N405311719) performed Chateau Mukhrani Renovation Project (full restoration) to our satisfaction. Chateau Mukhrani is located in city Mtskheta, village Mukhrani, Georgia. The project was executed with professionalism, adherence to budget and timelines, resulting to an distinguished quality.

Despite the challenges caused by COVID-19 pandemic and associated restrictions, Synergy - Apeas Joint Venture LLC completed the project within the designated timeframe, without significant delays. This achievement is a testimonial of the team's dedication and ability to overcome obstacles while maintaining the highest standards of workmanship.

Throughout the project, the dedication of Synergy-Apeas Joint Venture LLC's employees was commendable. Their expertise, attention to details, and commitment to excellence were evident in every aspect of the project. Their collective efforts played a pivotal role in restoring the historical building.

One of the challenges of this project was the requirement of unique construction materials sourced from various locations across the Europe. Synergy - Apeas Joint Venture LLC managed this aspect seamlessly, ensuring the successful acquisition and transportation of these materials, ultimately contributing to the project's success.

Based on our experience with Synergy - Apeas Joint Venture LLC, we highly recommend this company to other potential clients, and we wish them continued success.

Your sincerely,

JSC Chateau Mukhrani
